Also thank you for the flowers they were beautiful. My mema was a angel long before she got her wings. She was the strongest and most inspiring women I have haver known and I am honored to be her granddaughter. “ Dear Lee, James and family, my deepest sympathy to you on the loss of your dear sweet mother. I met Miriam about fourteen years ago. I had just started researching my Lewis and Rivers family, early settlers of Wilkinson Co. I discovered she and I were related, our great grandfathers were brothers. She shared so much with me, family pictures, Stories, genealogy and even a tour around the county, pointing out place our ancestors once lived. I always enjoyed the time spent with her. When we spoke on the phone, she would always end our conversation by saying" I love you cousin". I am blessed to have known her and her be part of my life, even for a short time. I love you cousin. Rest in peace.

“ My husband & I met Mariam many years ago through my cousin, Faye Shephard Green. She & Faye were close school friends. We had an antique trunk that was my husbands Grandmother's & it needed a lot of work. Faye told us about Mariam's love for antiques & we asked if she could redo it. Mariam was so gracious in taking it & the finished project was amazing. It still sits at the foot of our antique bed & is as beautiful as the day she finished it. I treasure the trunk because she brought it back to life. Her memory will live on for years to come through this trunk as we pass it on. I plan to enclose her obituary in the trunk to give it more history. Blessings to your family, Sandra & Larry Grimes

“ I met Cousin Miriam several years ago when I was in Gordon for a Mitchiner family reunion. She was such a gracious host (a model of Southern hospitality), funnier than a stitch, and made the most wonderful sweet tea I've ever tasted. Nothing up here in the North like her tea! I had just talked with her a few months ago - she was all excited about a picture she saw on Antiques Roadshow that was tied in with our great-great- great-great grandfather who served in the Revolutionary War with George Washington. I will deeply miss her. My deepest sympathy to all her family and loved ones.

“ What a beautiful and wonderful friend, teacher ,mentor, mother. Miriam I am so grateful that I had the blessing to be a part of your life. She touched so many people and I too have so many wonderful memories of her. Miriam was always a lady above all and one who was a fierce friend, but also a strong advocate for Gordon, She loved this town and much of what we have now is in part due to her. Love you and am missing you.
