“ *Angel trained me when I started working for the postal service. She was a wonderful trainer and a delight to work with. We have stayed in touch, and I will miss talking to her. I was looking forward to calling her on her birthday tomorrow. She always made me laugh. My condolences to the family.*

“ May the shared memories provide you with comfort in the days ahead as you reflect on the beauty of Angel. A life full of joy and you would never leave the McIntyre PO without a smile on your face due to the crazy antics we shared. We danced, talked about her children, as well as our lives. We gave each other input on personal issues as well. One telephone call would end up being minutes with Angel. There was neve a dull moment. I am going to miss this beautiful soul. To the Family, Lift your eyes to the Hills, from which cometh . Your Help, Your help cometh from the Lord. May the Lord wrap his loving arms around each of you. Yuwanda G. Parks (DCT, USPS)

“ She always knew how to make me laugh. I got tickled when she said a crazy word instead of cussing. Never heard her say a bad thing about anyone. Being her boss was easy most days. When I had to get into her she would make me laugh even harder. 😊. I love you Angel. I'll miss you! Your customers were your friends. You loved almost everyone. Sharon
