“ My life would have never been complete without her or any of the McAbee family. Ms. Bettie was definitely one of a kind. She was the most courageous mama around... She took several teeneage girls to Florida on several occasions. I know that my life is more memorable just because of her and this whole family. I was blessed - one of the lucky ones. I never remember a time when I was not made to feel like a part of this family. Ms. Bettie emailed me every day and she called me at least once a month. I had started to look forward to and expect these emails and calls. I feel like a part of me has gone. My heart aches for the loss that her family will feel. You are all in my thoughts and my prayers. I love you all. Love, Wanda Kay

“ Aunt Bettie will be missed by everyone who knew her. A kind, loving person, she enjoyed life to the fullest. Although I didn't get to see her often, she was always in my heart and prayers. My life was enriched immensely for having been part of her family. Rest in Peace, Aunt Bettie. My thoughts and prayers are with Uncle Jimmy and the entire family. I love you all. God Bless.
