“ It broke my heart to hear about Ms. Betty, When I told Morgan and Jacob (they are 19 and 17 now), they reminded me that Ms. Betty use to baby sit them for me and Sue and how much they enjoyed her and her flat cornbread. (I missed the food too and her motherly love and her sometimes telling me like it was). Luke (The Lord has allowed our paths to cross again after at least 10 years) and you have told me about your kids and he is truly proud of his Girls and Trey, as I am too. Maria, Carol, and Larry you know your family will always be special to me as was your Dad. I was always treated like family even though I was an Ivey transplant. I truly miss The Ennis Clan and all their descendants Kids and In-laws. I Loved your children Maria and (Richard) and (Danny, Carol). The People of Wilkerson County and Ivey Baptist Church made my time there some of the Best Years of my Life. People like Ms. Betty and her family were my type of folks and that is what the world needs more of now. Betty is in good hands, my pray is for the family and friends, come together for each other in prayer and deed.
