“ The World will not quite be the same without Billy Califf or "Honest Bill" as he sometimes introduced himself. I do not think I have ever met anyone that enjoyed telling or hearing a good tale or story or sharing a laugh more than Billy. I will always remember him driving up a little late, with jeans and a blue Dickie work shirt with tail out and a big grin or smile on his face. Billy had a heart as big as the moon. He was my friend and a friend to many more. He will surely be missed, but we will have many memories and stories to remember him by. May our Heavenly Father grant peace and love to his family during the days, weeks, months and years of sorrow ahead. Thanks for the memories Bill. You were one of a kind!
