“ *My sincerest condolences to your family. God has made a wonderful promise at Psalm 37:10,11,29. After God removes wickedness and suffering,the earth will be transformed into a paradise. Then people will be able to live forever in prefect health and happiness. God's word fortells:God will wipe out tear from their eyes, and death will be no more, neither will mourning norr outcry nor pain be anymore.Revelation 21:4.In that new world, even dead ones will be brought back to life to share in those blessings.(Acts 24:15) I hope these scriptures will comfort your family. May God be with you all.*

“ *No words can express how much Billy and I will miss Bobby. He was always Billy's little brother, whatever their age. My first memory of Bobby was in 1955. I was 17 and I believe he was 19. He came home on leave and drove up to mama's alone in Billy's car while I was in the yard. I walked up to the car and started talking before I really looked. I was shy and so embarrassed to see I was taling ninety to nothing to a total stranger, but Bobby surely thought it was so funny. We've had happy times with your family and love you all very much. God bless and keep you.*
