“ Bonnie was one of the sweetest people that I ever met. She showed her kindness to all she met. She was so special to our boys when she kept the nursery at church. I pray for comfort for Ken and the rest of the family.

“ Some people come into our lives and we are forever changed even if they are with us for only a short time. Bonnie was one of those people, she was a kind, gentle and sweet lady. I can't imagine anyone being her enemy, she loved her family fiercely and took care of everyone she came in contact with. She was a jewel! I loved Bonnie and I don't think that nursery rocking chair will ever be the same without her! She was a wonderful friend and my life was blessed because God let our paths cross. She was "family" away from family. My heart hurts that God choose to heal her and take her home, I really was not ready for her to go but I know she is with Granny and she is happy. She certainly missed her mom. Love you Bonnie, rest now, pain free.

“ *My heart is so broken for each of you. Bonnie was a very sweet, kind, loving person with a beautiful smile. Her heart was made of gold as she loved and cared for all of her family. I am so thankful I had the opportunity to thank her for loving Robbie as one of her own. She is now a beautiful angel looking over each of you. My prayers are with you in the coming days.*

“ Twenty six years ago I went to see Bonnie's new baby, Eric. I was I pregnant and immediately went into labor. I always told her that looking at her sweet newborn caused me to go into labor. She stopped by my Grandmother's house about a week ago and we had such a nice visit. I gave her a bunch of cuttings from the rises there. Oh Bonnie...who knew that would be our last time together? I will miss you always my sweet sweet friend. Knowing you has been my pleasure and honor.

“ I went to see Bonnie's new baby (Eric) when he was a newborn. After I left Bonnie's house I immediately went into labor. I always told her looking at Eric caused me to go into labor. That was 26 years ago. She stopped by my grandmother's about a week ago and I gave her cuttings from roses. Bonnie was one of the sweetest persons I ever knew. Everytime I saw Ken somewhere he would say, "Bonnie is in the truck" and out to the truck I would go to visit. I will always miss you my sweet friend.
