“ *Denise and Family,*

I was saddened to hear of Bybu's passing. Sending loving and caring thoughts and prayers your way. I hadn't seen him in several years, but when I did, he always had that shy smile and a hug. Prayers for peace, comfort, and God's love to all of you.

“ *I have not seen Bybu in many years. Growing up in Ivey there was always a bit of mischief. What I do remember about him was that he worked hard played hard and he loved his family. RIP bud.*
