“ If you lived up 18 down the little streets, In the late 60's @ 70's and 80's we all knew each other, went to school with each other, rode the same bus and grew up together. I was saddened to hear of the loss of our friend . I do think he held a special place in each one of our lives. (Tick) Chris Bivins you will be missed. My heart is heavy for His family especially his daddy's and Mrs. Martha's. They stayed by his side during his sickness. God please be with them and help them through this difficult time. Rest in peace our friend fly high.
