“ I had the pleasure of meeting Chris back in 2010 at Bass Pro Shops. Over time, we became close, and many days he'd ride home with me from work. Those drives were always filled with laughter and great conversations—memories I'll always cherish. He truly was a kind and wonderful person. My heart goes out to you, Tammy, and your family during this incredibly difficult time. Please know you're in my prayers.

“ I racked my brain trying to think of a special memory with you. But all memories with you were special.
If I have to chose I'd say all our florida / Georgia bets. From orange and blue lipstick kisses to me having to wear a ga shirt and post them. Those will always be special to me.
So my tribute to you is I'll be cheering for them Dawgs on the 1st and hopefully all the way into the national championship. Your the only person I'd cheer for them for.
With that said I love you, man. GO DAWGS andpeace out.
