“ To the family of Roger Dale Dupree: We are so sorry to hear of Dale's passing. Curt Montgomery called me today with this sad news. Within the last month or so, I had learned Dale was in Milledgeville and I was making an effort to contact him. So sorry I didn't try sooner. Remembering back 50 years ago at WCHS, Dale always was a sharp dresser, voted neatest dresser in our senior class. Dale had that quick smile. I also remember how smart he was in school. Throwing a baseball 90+ mph was a natural talent. I remember when I last saw Dale just for a few seconds sometime in 1971. I was standing on the corner of Peachtree St. and West Peachtree St. pulling underground cable for the phone company. A new brown Lincoln Continental turned the corner and Dale was in the passenger's seat. For a split second we made eye contact. I'll always remember that. May God bless and comfort you during this time.
