“ Cody and Hunter, so sorry about the loss of your dad. The world is a little darker without his smiling face especially when he was around his grand baby. She had him wrapped around her finger at such a young age. I'm sure we would have loved to see her grow up and be her Pop Pop for longer than he was able to here on earth. I'm sure he is watching over y'all from heaven. Hunter thank you for being such a great friend to Hagen and always remember we love you and our door is always open if you ever need anything.

“ My thoughts and prayers are with all of you. So sorry for your loss. I remember Darryl as a young boy, always so nice and polite..always smiling. Last time I had a conversation with him was when Hunter was a young boy. Darryl was still that same nice, polite person I knew as a child. He will be missed by all that knew him.

Darryl was a great guy, was the son of my favorite cousin Grady. We all grew up together, loved across the street from each other. I watched Darryl and Dean grow up. I'm so saddened to hear about Darryl. My heart goes out to Arlene and family. My God be with all of you. And RIP sweet Darryl.
