“ I was incredibly saddened to read that David has passed away, and was shocked to hear that Gary, Stevie, Grady and Jeff have all passed on as well! I was especially saddened to read that David's son Ricky (who unfortunately I never met) had passed away before David. How unbelievably sad!
I can't tell you how much David and everyone else in the Lord family meant to me back in those days when I was a completely lost and homeless/runaway teenager. David always watched out for me. He was my bother and my best friend. I loved him a lot.
He would make sure that I would get something to eat if was hungry as did Mrs. Lord, who even though she had eleven mouths to feed would find something for me to eat as well. At night I would often sleep in Ricky's car or David would sneak me into the house through the side bedroom window where six or seven us would sleep in two beds!! I can't tell you how much I miss those days! After I left Macon, sadly I lost touch with everyone, but please know that I tried find ya'll at least 3 or 4 times whenever I passed through Macon but sadly I could never find anyone. If anyone happens to see this would you please give me a call? I would love to hear from anyone in the Lord family.
I almost forgot..this is Mike Relph but ya'll knew me as Ralph the guy that played harmonica. I live NYC now and I've been here for the past 31 years but you know..NYC's got nothing on Macon! I've got such happy memories from those days! I hope to hear someone!

Love

Ralph
