“ Our prayers go out for Deonna's family and children to be able to find the strength and guidance needed during this sad time.... May God wrap his arms tightly around you all for peace and comfort. She was a beautiful, full of life person that always had a smile on her face and she will be missed terribly but never forgotten!

“ Dee was a great friend, one you could always depend on when you needed her (or even if she thought you needed a friend). You could always depend on her being blunt and honest that's for sure! It's so hard to wrap my head around her being gone, but one things for sure, she'll be missed greatly by many, and remembered by all! 💜 Prayers for your sweet boys and beautiful family! 🙏 Fly high my friend, until we meet again!

“ I love you DD, I was 11 years old when Aunt Gail gave birth to this beautiful baby girl with the biggest brown eyes I had ever seen . I have so many fond memories but our phrase when times got tough -" it's gonna be ok cuz" was by far my favorite . I know it's gonna be ok, it may take a while but eventually it'll be ok . We will be ok . You loved hard and those who had your love knew just how huge your heart was . Baby cuz , you go rest high on that mountain .
