“ Although I've only known Don since my transfer to Macon in 2005, I'm thankful for the opportunity to have worked with him. Besides doing an outstanding job for Norfolk Southern, Don always found time to help anyone that came to him with a problem. He will be greatly missed by his co-workers and those who came in contact with him during the course of his duties on the railroad.

“ *We are sorry to hear of Don's passing. Just know that God will comfort you in this time of sorrow. Remember that: For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish but have everlasting life.(John 3:16). We did not know Don personally, but think the world of his children and mother inlaw. (Bettie Lee's neighbors)*
