“ Always enjoyed working with Don while taking sports photos. He always depended on me to get the photos completed in a timely manner. Will miss his smile. Never had anything bad to say about anyone. Bowled with him through the years and had a lot of fun. May he rest in peace. My condolences to the family. Knew his daughters for many years. Mother and father treated me as their own son. May he RIP. We will meet again

“ *Don & I went to the same college and graduated in the same ceremony. We did not meet until he was engaged to my sister many years later! We both laughed about that many times. My family and his had many good times together.*
