“ I first met Mimi as Ashley always called her back when my son Michael dated Ashley in high school. She has always had a smile on her face and always welcoming each time I dropped by for the kids. Since then, she has been a very loving mother in law to my son and he loved her as well. He always talked about what a great cook she was and how good both she and Papa (Danny) were loving and supportive of both him and Ashley. I know our granddaughter, Lily, will miss her Mimi because I saw first hand how she would cling to her when we gathered for any event. My heart goes out to Mr. Danny, Ashley, and others that were kin to her. But I know in my heart that she is at peace and truly no longer suffering as she did on this earthly life. May you all be at peace for Mimi is at rest and no longer in pain. Donna Carlisle you were a jewel to your family and I know you will be truly missed. My prayers go out to you all with love.

“ I first met Mrs. Carlisle when my husband stopped by their home to see her husband. Though a complete stranger, she invited me into their home and treated me like family. My thoughts and prayers are with the family. I am so sorry and know she will be missed. She was a gracious lady.
