“ Marjo, I just received the news about Doug. I was shocked to hear the sad news. My heart goes out to you, and my prayers are with you. There is no way that I could really understand the hurt and loss you must be going through at this time, after losing a child. I do know that, no matter how long we have them, they are still our child. May God strengthen and comfort you in the days and weeks ahead. Your old school mate, John Benford
