“ I would like to share a scripture from John 5:28,29. It is Jesus promise of a resurrection. I hope this brings you comfort at this time.

“ Mr Doyle was a great carpenter. He always measured twice and cut once. Many times he would scribe the board which was aggravating to his crew but the cut was always perfect. I hadn't seen him in years when we ran into each other at a music store in Milledgeville. He was looking to buy a harmonica. We talked and I hugged him and told him how much I cared for him. I'm glad we had that moment. Proud to be his friend. Truly a loving person that will be missed.
