“ *To the Dudley family: My family and I would like to express our deepest sympathy for your loss. I had the pleasure to spend time with Evelyn on a summer visit to my hometown, Lewiston, New York. What a delightful woman. I know, too, from my sister, Terry, that Evelyn was a dedicated servant to many. She certainly has a wonderful legacy! May God be of comfort to all as you embrace your loss.*

“ *There are few people you meet in life who embrace you and love you. Ms. Evelyn was one of those who did. She had a lasting impact in my life as well as the lives of so many others. I smile as I think of her countless words of wisdom and faith. I am thankful to have memories of smiles and laughter. I wish I lived close enough to tell your family in person how sorry I am for your loss. Please know you are all in my thoughts and prayers. She will be missed by us all.*

“ I was about four when my cousin Evelyn was born so our history has intertwined for 71 years. I know how dearly she will be missed by Jimmy and their children and grandchildren, great-grandchildren. and brother and sister. And though, like any family, there were occasional problems, Evelyn was the cement that held them all together in love and care and concern through all those years. That they loved her too was obvious and she will be greatly missed. Please know that I loved and will miss her too. She was a part of my life and will live on in my memory forever. With heartfelt love and sympathy, Betty
