“ "Aunt" Floy was a precious Christian lady and a wonderful friend. She had such a quick wit and a wonderful sense of humor. When she occasionally shared stories at Choir Practice from her days growing up in a large family in Gordon, she would have all of us laughing! She often brightened up Handbell Practice by telling us if we made a mistake to just turn and look at the person next to us and folks would think that person rang the wrong note! She also had a unique way of remembering music dynamics like saying "mp" meant "mighty po"! We will remember her for things like these plus her dedication to decorating our Church Sanctuary and Fellowship Hall for many years, her work with children and youth and being a wonderful cook, too. Gerald & Michelle will miss having her on the pew with them during church services and I will miss my Sunday hugs and seeing her smiling face as I sit at the piano or organ. She was a jewel of a lady and I am so glad that she was my friend!
