“ Ms. McMullen, My husband and I were on our way to Columbus Friday. Passing the accident scene we were flaged down by one of the other drivers. I wanted you to know that everyone did all they could do to help Mr. McMullen. I wondered if he was a Christian and the type of man he was. We left before everyone else arrived. We were so upset and felt so helpless I could not stand by any longer. Knowing before we left more help was on the way. I didn't get to talk with the other drivers. I wanted you to know our thoughts will always be with you and your children. I will never forget this man. I feel better just knowing even when we could not talk with him about the Lord and his saving grace, he already knew. This helps me just knowing this information about Mr. McMullen, that he is at peace with God. May God be with you and your children. Brenda M. Rice
