“ To Billy, Vera, Hansel and Bet, My favorite memories of Aunt Grace will be of her sitting on the sofa with her little dog prancing at her feet. She spoke as if she were speaking to a small child and I am sure that every little dog she has had were treated the same. Aunt Grace has led a full life, been a good wife and mother and shared what she had. We were always welcomed with a wonderful smile and offered what ever treats she may have had. We may not have visited very often but her greeting was always the same. She made us feel at home. Now she has returned home after a life long journey to be welcomed the way she greeted her loved ones.....  
You are in our hearts, thoughts and prayers.
