“ *Laurie and Terry, I am so sorry to be posting this so late. I just found this on my computer My illness prevents me from sitting at my computer for very long at a time and my memory is so bad. But I will never for forget my buddy Greg Eddy!! He was such a pleasure to be around. One of the main things I will always love about Greg is that he was a music lover, just like me and he loved making music just like me! I remember, several years ago I bought Greg a guitar. He would come and play in our band with us (Buddy And The Big Sandy Creek Band}. After we had played for a while we would all get tired. But Greg never got tired! If he did, he would just flip his guitar over and play it the the way!! He had a wonderful sense of humor. Greg will be greatly missed by so many many people. I don't believe that there was any end to his many, many friends!! May GOD bless, comfort and strengthen ALL of his family and friends.*

“ I'm so thankful for the podcast. I wanted to be there, but my car wouldn't start. Greggy (and Chris) were the little brothers we never had. I will cherish his memory and remember all the good times we had growing up together. Greg was the sweetest soul I ever had the privilege to meet. May we all use him as an example of how to live life. I love you all! Julie Massengale Tate.

“ Wow, there's so many memories of/with Gregggy. Many Sundays after Church with me, him and Chris playing basketball or just hanging out, sitting cross legged in the floor, eating boiled peanuts of course.

There's a lot of people that will miss him but it brings me peace & happiness to think of him running through Heaven with his Mama and Chris and other love ones. This isn't Goodbye but I'll see you later "My Cousin"
