“ I'm so sorry to hear of Hazel's passing- did not realize she was sick. I have the fondest memories of Hazel. She was a sweet and kind person. I remember how frightened Scott used to be of her when he was a toddler and she had on her nurse's uniform. He would have nothing to do with her until she changed her clothes... and the time I was riding with her from the state fair back to Gray, and we got lost. We asked a cop for directions- he told her and then said lady, don't ever go too far from home. Turns out we were right there at the right road. We laughed all the way home. Ronnie was just a small kid then and I thought just the cutest little boy. Deborah, it was good to see you a while back. I'm so sorry for your loss and will be thinking of you all during the days ahead.
