“ My deepest sympathys are extended to the friends and family of Mr. Honeycutt. I know he will be dearly missed and fondly remembered by everyone who knew him. To my nephew Cody: I love you very much and I know that you will miss your Papa Honeycutt very much, but this is where you have to have faith in God to know that this is all part of his master plan. I know that things do not seem fair now, but with time your hurt will pass and you will have many, many fond memories of your papa to help you make it through the day. Sincerely, Angie Strickland
