“ Mom it's hard to believe you left this world but without a doubt, I know you are with Jesus and no longer suffering. You always took great care of your kids and especially loved all your grandchildren. You were one to love and help others in need. You served the community well with teaching Sunday School vacation school foster parent daycare provider. You had a huge heart. Unfortunately you never saw your own worth and goodness that others saw and loved you for. I miss you terribly Mom.. may God's Grace and Mercy follow you in eternity.
