You were a good father, provider and a friend to all who knew you.

There will be no more pain and suffering there. Joy, happiness and no tears will know be yours forever.

“ Hershell was a good friend and we shared many memories. We use to argue a out who was the smartest. He would tell me you think you know everything and I would reply no you do. We did that for many years that is one of my many memories.

He was a hard worker and was always dependable.

But more than anything else he loved all of us so much. I never heard in all the years that I knew him he said an unknown word toward anyone.

He was the one person above all that you could trust.

We will miss him so very much, but God has a greater call for him in heaven. So my brother on law I will miss you, but I know you have no more pain and hurt for in the beautiful city of Heaven there is none of that. Joy, peace, love and smiles are now yours.

Rest in perfect peace Hersh.

I love you, Linda
