“ Uncle Ronnie and Aunt Nancy, There is nothing that I could even say to begin to ease the pain and loss that you have. I didn't get to spend a lot of time with Ila as she grew up but I remember when she used to come over and play with Jamie when they were little. They always seem to have such a great time. She will be greatly missed by us all. Our thoughts and prayers are with you all. love, Robin

“ I haven't seen Ila in a long time, but I remember her as a beautiful and sweet little girl. Even as a grown woman, my family and I still called her Little Ila. Nothing that I can say will take away the sorrow that you must be feeling. I can only hope that it gives you some peace knowing that this angel has gone to be with her maker and that she is no longer sick or suffering. Your family will be in our thoughts and prayers.
