Thank you for sharing this with me... I so wanted to be there, but circumstances caused me not to be able to.....I loved Jimmy so much and he will truly be missed, My son Jeremy was an addict and I travelled all over Ga. with him to meetings, camp-outs, conventions, birthday celebrations and any other NA happening that was going on and most of the time Jimmy was there....He helped Jeremy so much...And helped me learn to deal with an addict as much as he helped Jeremy.....I got to know and love Lizzie and Trampus as well.....

“ So sorry to hear this about Jimmy. He was our repairman when he worked at Sears. Every time I see a Sears truck I think of Jimmy. I also worked at Belk's with Jean many years ago. He will surely be missed. Casey & Judy Jackson Youngblood.

“ Went to grammar school with Jimmy and graduated from GMC with him. He was a good man and his years of clean and sober were a testimony of his determination. He fixed a lot of washers and dryers for us over the year, he was an old school repairman. If Jimmy couldn't fix it, it was junk. Rest well old friend.
