“ My fondest recent memory of Jill was 2 years ago on the Pre-K field trip at the Gordon Library. We were having story time and the librarian was reading/singing a book to the kids. On the side of the room there stands Jill, dancing right along to the tune of the librarian's song. Those kids enjoyed her more than the librarian that day, and she was enjoying them just the same. She had a gift for making people smile, and her love for children was evident each time I saw her with her grandkids. I will remember her as always having a kind word, wearing a smile and seeing the glass as half full. I hope that your warm memories of her help to ease some of the pain. My thoughts and prayers are with you all during this most difficult time. God bless you all.

“ *She and I shared the same birthday, exactly 10 years apart. Over the years, we had fun tracking each other down to wish one another a "Happy Birthday". I was a lifeguard at age 18 and she was one of four very close Sisters that were a handful at the Pool. I am smiling as I remember that, no matter what dive (and there were many different ones) I pulled off...She would keep on and on until she could do it too. And she was only 8 years old!! SHE was Jill Sims. My prayers are lifted up for the family. Rest in peace Jill. STEVE SCOTT*
