“ I am so sorry about just sending my condolences to the Dudley Family of the passing of Mr. Jimmy but I just found out (as I just found out about Ms. Ennis). I could never thank Mr. Dudley and the whole family (and that is a lot of people to thank) enough, for making me a family member of theirs. Mr. and Mrs. Dudley were always there for me and my family. He had me (cubing, when processing a hog or cow with the family when it was slaughter time, that was something I couldn't mess up) He woke me up one morning and said go down to the Court House and sign up to be on the BOE he said he would pay for the qualifying fee and I would win. Both Happened. I was blessed to serve the next eight years on the BOE. He was the go to man at the BOE keeping a old school system running and there when it was time to update the schools. I love all the family but Dana and Rodney( the new BOE go to man for anything to keep the schools running now) where like brothers to me. (Nicer to me then they were to each other) Dana, from towing me in when my car broke down, to driving my kids on the bus and protecting them when they had to go by my wife that had been in a wreck so they would not be upset. I know you and all your family will be blessed from having a mother and especially a father like Mr. Jimmy. May God bless you and all the Family. My wife (Sue) and kids Jacob and Morgan and myself was blessed to have been allowed by God for our path's to cross and I will always be thankful.

“ Many thoughts and prayers are being sent to the family during these difficult days. However, I know that Jimmy's strong faith and many cherished memories are great sources of comfort to his family and friends. May each one feel God's Love and "The peace that passes understanding" surrounding you.

“ *Mr. Dudley was a very nice man. When we went to visit Baileigh, he always made it a point to come out of his bedroom to come and speak to my husband. He loved his family and grandchildren and it showed. I pray that God will comfort his family and help them through their time of grief. His family loved him very much.*
