

Joey Myrick

October 24, 1955 - March 1, 2026

Joseph Lamar Myrick, age 70, of Gordon, GA passed peacefully in his sleep on March 01, 2026 after a valiant battle with cancer. Born on October 24, 1955, Joey spent his life finding any adventure he could. He was a self taught man of numerous trades and a friend to all. After retirement, he kept himself busy by chatting with his Uber customers in Nashville, taking cross country road trips on his motorcycles, helping his friends and family in any way he could, and most of all loving his children and grandbabies.

Joey is survived in death by his children Misty (Caleb) Pollock of Gordon GA, Julianna (Austin) Myrick of Gordon, GA; and Joseph (Samantha) Merritt Myrick of Newnan, GA; his granddaughters Piper, Eliana, and Sylvie Jo Pollock of Gordon, GA, and Lillian Myrick of Newnan, GA; his sisters Katherine (Franklin) Rozier of Smyrna, TN, Susan (Donald) Dunlavey of Jonesboro, GA, Nicole Wiley of Carlsbad, CA, his brother Neal (Sheree) Emminger of Tyrone, GA; numerous and very loved nephews and nieces, and very many more special family and friends.

Joey was preceded in death by all of his parents, Edgar Myrick and Dorothy (George) Emminger; his big brother Earl Myrick; and his big sister Deborah Jean Myrick.

The family will be hosting a celebration of life to honor Joseph at his family

property in Gordon to be determined and announced at a later date. And just like The Allman Brothers used to say- You gotta let your soul shine, Shine to the break of day.

“ This is so unreal to me! Our heart's are so heavy and broken. I keep thinking of all the great memories we shared together! The two most important one's for me was meeting Misty for the first time! That beautiful blonde hair and beautiful blue eyes! She was not shy and asked for some of my sweet tea! You was shocked and said she doesn't drink after people so that meant she approved of me. She was very protective of you and your ride or die no matter what! Ya'lls bond together was magical! After some time you gave us another Blessing our Beautiful blonde hair and blue eyed baby girl Julianna! She changed all of us for the better! Like you said at her birthday party when she turned 21... We might of done some bad things but we got it right when it came to them!!! You were so proud of them that your face would light up everytime anyone mentioned your Girl's!!! We are all going to miss you so very much! Especially your humor...You could find something to laugh about any joke about in any situation! I could go on and on about how good of a man you were! I'm so Thankful and Grateful for you taking care of the girls the way you did! Take your rest now! Well done joey myrick. We will never let go of the memories we all shared with you! Miss you and Love you always❤️❤️

“ First and foremost I send my Condolences to the Family. Been friends with the Myrick's since I was about 10 years old. We all scattered as we grew into adulthood. But in later years we seemed to run into each other from time to time. Went to visit Joey in the hospital a few years ago and we were talking about the past years and also updating our lives with each other. He told me that I might be asked to leave when the nurse came in. I assumed it was some medical stuff and visitors had to wait in the hall. Well to make a long story short, Joey got busted for smoking in the bathroom. But that was Joey. He somehow talked his way out of being discharged from the hospital. After that we always got a laugh about that incident. He will be missed by all of his family and friends. A loving family man and an all around good guy. Please tell your Dad, Mom and Earl hello from me!

“ As of March 1st 2026- The light on my candle was blown out again. I spoke to Joey that morning as I always did and he was fine. All his kids were stopping by and he was excited. Few hours I get “the Call”. Misty could hardly talk. After they left He went to sleep and Jesus spared him of pain and took him home at that moment. My brother, Joey (Bo) loved his family and was a fool about his grands. If I EVER needed him, he was there, if not allowed he would sneak over. Im so happy he had a taste of freedom before he got so sick and passed. To my niece Misty- I want to thank you for all the love you gave to your Daddy! You never stopped ..I love you all. Joey, this is going to be hard on all of us! You are so missed already but in the arms of Jesus. Your Sister, “Susie”

“ I'm one of Joey's older stepsisters. I will remember him from when he was younger when he was a part of my life. Joey was a survivor just like my youngest son is. He marched to his own drum though. I loved the fact I had a younger brother. The years of life passed so quickly I can't even believe he was 70. I now see I was only 3 1/2 years older than him. It seemed a lot more back in the past. I hadn't seen Joey in a great while when I lost my son. But he called me at my sister's house in Savannah that day. He said, "sis we are on our way" and they were there a few hours later. It really touched my heart as I hope he knew how much that meant to me.
