“ Dale and I were sadden to hear about Mr. Avery passing. You are a special family who was raised by a special and strong man. I only met him a few times but I know him by knowing you. Because of the attributes you have I know that Mr. Avery was a humble man who loved his family and his effect on the people he loved is seen through his children, grandchildren and great grandchildren. You are in our thoughts and prayers.

“ Dear Avery family, I'm so sorry to learn of Mr. John's passing. I remember when y'all lived next to us on 49 and had the store. I spent many hours with your family back then, and I well remember Mr. John; I always thought of him as a kind man, a man who worked hard to provide for his family. My thoughts will be with you all during this time.
