“ Speed my best friend my ace combat flying partner this doesn't seem real. When I found out I was numb and couldn't believe it. You were one of the most caring loving people I know. I'm gonna miss our talks you could calm me down no matter what you said. I can't even imagine the pain Kim and your parents are going through and those 2 precious beautiful little girls but I know your up there smiling down and will keep them safe. Just know you will never be forgotten! Always in our hearts. ❤️💙
