“ Me and my family truly hate the passing of John, he was a good man! When Sue was battling cancer he was always helping with errands and support. Cindy and the kids you are in our prayers. Hope, Lloyd and Robin I know you will be there for the Family and Family and Friends will be there for John's brother and sisters. The Brooks family has been special to my family from when I first moved to Ivey and Lloyd was the only person I knew. He introduced me to his Family and Ivey Baptist Church and I always felt like Ivey had always been part of me and still do.

“ So sorry for your loss. The Brooks family was always a strong supporter of Gordon Ivey when I attended in 1971. Although I was older and friends with Tasha and Robin I was a Facebook friend of John's and followed his posts to keep up with the remaining family and friends. Thoughts and prayers to you all and John was a very loving, Godly, family oriented man that put you all before anyone .May his memory live forever.
