“ Rosemary and family and friends of Johnny. It was so sad to hear of the loss of a great family member and friend. Although I didn't see him very often, when I did our visit was always a very pleasant one I remember the day you and him came to Carlton Lavender's house when we were playing there. He seemed to really enjoy it. I was so thankful that you brought him and that I was able to have a part in the "pickn and grinnin'" he seemed to enjoy sp much I know he will be greatly missed by you and your family and all that knew him I'm o sorry I wasn't able to make it for visitation and his funeral. I am pretty much just struggling now to make it from day to day, not knowing how I will feel from one minute to the next. May our Geat God bless you with comfort and strength in the days ahead.

“ Rosemary, our thoughts and prayers go out to you and Johnny's family at this difficult time. Johnny will be well remembered as being a very kind and gentle man who always had a smile on his face and a kind word for everyone he met. I always looked forward to seeing him every week when he came to Engelhard to make his sales calls. May your faith in God and so many precious memories comfort you now and always. Much love, Wanda and Wes Hearn
