“ *I met John through a singles group on Facebook. He and I became friends. I ventured out in 2021 for his Halloween karaoke show. John knew how to get a crowd going with his DJ Talent. I just recently found out of his passing. I wish I would have known sooner, I would have attended his funeral. My deepest condolences go out to his family, his sons, and all who knew John. I am deeply saddened by the news. May he RIP, he maybe gone but not forgotten.*
