“ *My sincere condolences go out to her family. I am the neighbor that lives across the street from them in Toomsboro. When I first met them, I immediately felt the love that they shared and was happy to have them as my neighbor. She and I talked a few times about shopping and was planning on doing some shopping together. I miss seeing her but I still see her through the baby. Her memories will live on.*

“ Completely heartbroken for you all. She was the one person who stuck up for me in middle and high school if something was wrong. Had such a beautiful soul and was deeply loved. I remember going to her house, hung with the family and just chilling. She was one I looked up to. Miss her so much and hate to hear this has happened. Sending you all hugs.
