“ Judy was such an amazing force that would light up a room and keep you laughing all day long. It was an absolute joy knowing her while working as a student in the Athletic Department for two years. The joy in her life came from her family. I never met Katy personally, but feel like I know her from Judy's stories and photos. You have one great mom, Katy! My deepest sympathies to you and your family.

“ We will all so miss this lady. Judy was always so much fun and I think we fed off each other. We loved to laugh together and talk about all those kids at Spotswood. She had no trouble putting Tom Ward (she always said "Tom Ward") in his place and I think he even loved her more for it. Judy was the one who initially crowned Alexi the snack bar queen and as for as Andrea, Judy and her had a mutual love for each other. So sorry Rick and Katy for your loss. I know you will miss that laugh and her never ending love.
