“ *I would like to personally send the entire family my condolences. This was a tragic loss. Julie was and always will be one of my bestest friends in the whole world. We went to school together many years ago and we've known each other for over 30 years. She had a heart of gold, a wonderful smile and a great personality. You couldn't ask for a better friend. She loved her country music and she loved her Lord and Savior Jesus Christ. Her memory and legacy will always continue to live in each and everyone of us. Rest in peace, my dear, sweet friend until we see each other again one day in heaven.*
