Dear Sweet Sharon,
So sorry to hear of your mom's passing. As hard as it is to lose our mamas we have to go on because they would want us to. Celebrate her life and the precious memories y'all created together. When the tears flow just close your eyes and think of all the good times you shared. She will always be with you in spirit from her beautiful new home in Heaven. May GOD Bless you and your family and wrap His loving and healing arms around you all as you prepare to say to her "until we meet again". Love you always
