“ To Katy's Family... Treasure your "Precious Memories" of Katy!  
She was a sweet friend and she will certainly be missed by her family members -- But also by her church family. She was a faithful member of our Chancel Choir and our Unity Handbell Choir. Daphne said it so well -- So I echo her sentiments! (Katy stood between Daphne and me in handbells and we were in the choir together, as was Bill. We all have precious, sweet memories of both of them.) Katy missed Bill so much and knowing they are now together in Heaven is very comforting. Her transition was very peaceful and serene after some difficult days. As Pastor Doug Mays said during her funeral service; I also picture Bill seeing her in Heaven and saying, "Hello Kate!-- What took you so long?" Katy -- We love you -- Rest in Peace! Ethel

“ Love and sympathy extended to the family. The Temple's were wonderful folks that made our tenure as their parsonage family a true blessing. Ethan was really blessed that Katy was his Sunday School teacher for several years and made a lasting impact on him.

“ My dearest friend Katy, you will be missed by so many in our church family. I will never forget you and the numerous good times we shared at church. Singing in the choir and playing in the handbell choir with you will always be such special memories. I'll always treasure standing beside you in handbells and us joking of me making sure I counted the measures for you. The times at Ebenezer were so special to me! I know Mr.Bill is rejoicing in heaven knowing you two will be together again and he'll meet you at the gates. Love you Katy....RIP
