“ I've known Keary all of her teenage and adult life. Always kind to everyone she met kept all of her friends close. Never said goodbye without telling us she loved us.

I guess God needed a "cat lady " in heaven so there you go !!
I'll always remember this sweet girl with love and look forward to seeing her again in Heaven.

My condolences to those who were blessed to have been closer. ❤️

“ Keary was one of a kind! I will always remember her laughter. We were childhood friends who lived next door to each other and spent lots of time together. She was like a big sister to me, who I looked up too. I’m gonna miss you my friend and your post of your furbabies. Heaven gained an angel and you my friend, received your crown. I love you and will see you later. ❤️👼

I am so thankful for all the times that I got to spend with Keary. She was one of a kind, marched to the beat of her own drum. Loved her laughter as well as her personality. “ Keary was a year younger than I was; we attended Wilkinson County High School. Three things, among many positive ones, can be said about her. She was beautiful inside and out. No matter how long it had been since I had seen her, she always spoke and smiled. She had a very good and very big heart. She will be missed. Even though I didn't communicate with her often, my sister, Carolyn Balkcom, did and kept me up on her efforts with animal rescue. She left some shoes that will be hard to fill, but she has been greeted by all the little fur babies she saved who are waiting on the other side.
