“ Rance and Sons and family I am so sorry for your loss. Keleste was one in a million. She loved her family so very much. Rance was so special to her. She was the person all of us should wish to be like. She was always positive and willing to help anyone. She showed her caring to her children, grandchildren and anyone she came in contact with. Know how much love she had for all of you. Y'all was always her topic of discussion. I love her, her personality and her caring. God gained a precious Angel when she went home to him. God grant each of you peace.

“ Rance - I was so sorry to hear about Keleste. Her heart was absolutely amazing and she always looked for the best in everyone. She showed kindness to all who came in to contact with her. I will always remember our trip together because I got to know her - and was better for it. You know that Keleste will be entertained in heaven when Billy finds her.

“ So sorry to hear about Keleste. She was such a sweet person and always had a smile on her face. She was certainly proud of all of her children and Grandchildren. I was so glad that Keleste got to overcome her most of her sickness and able to hold that last Grandson. You could see the happiness on her face with Maverick. I know Dr. Dennard & Mrs. Jan greeted her with open arms. Praying for the Dennard Family, Palmer Family, Clark and many close Friends. Keleste will be missed for those they knew her.
