“ I have so many memories from growing up at Big Mama and Big Daddy's with all the cousins, and then other things through the years. I remember the time I made her cry, trying to drive a stick in Aunt Janice's Saturn. She was my sidekick when I was a teenager. The past few years at family events, we all had some good conversations around the fire pit. She was such a good mama, not only to her kids , but to others. In our family, it takes a village!!! We will miss you dearly. Continued prayers and love for Uncle Doc, Lee Lee, JR, the kids and grandkids, niece and nephews, especially-and to those who loved her and whom she loved. No more sickness, no pain. Reunited with Janice and Ma...❤️

“ Krystle's favorite color was purple. That is why I'm sharing a purple flower. Even though she didn't like all the girlie thing, like flowers. I will forever love you. In my heart always.
