“ Larry, sabemos, com certeza, que a vida é eterna e continua. Por isso sabemos que você continua pleno de vida, apenas mudou de plano espiritual. Você foi um irmão que eu não conheci pessoalmente, mas trocamos palavras , carinho e eu passei a amá-lo. Amo sua família, que agora é minha também. Que você siga feliz no plano espiritual, aprendendo mais, encontrando- se com pessoas que você estima e que já estão do lado de lá. Um dia, em algum tempo da eternidade, vamos nos encontrar pessoalmente e eu lhe direi: " Lembra de mim? Sou aquela irmã que te amou, mesmo à distância."

“ Uncle Larry it is hard to believe that you are not with us anymore, but as you always told us “life doesn’t belong us until we put a mark on it” I Also believe that we are here until we had shown as well as taught the best especially to our family.. there is no one i hace know that loves my contry and my family as you did.. you will be always in our hart and prays.. Please keep on taking care of us, as you did in life, but now up there in even where only the best can stay.. RIP

*My sister & I thought of Larry today while discussing possible career choices for our sons because we knew Larry was a geologist, and he seemed to enjoy it. That led us to wanting to find him online to catch up and, unfortunately, we saw that he'd passed on. We had lots of fun growing up. Larry was a loving, giving person and a bright light -- always up for adventure! Prayers going out to family & friends for comfort and peace. Losing and missing them is hard. Hopefully, this is just goodbye for now, and we'll catch you on the next great adventure!*
