Larry Hatfield was a good friend growing up! We had a group of 7-8 guys, who played sports together, year round! A lot of the time it was at Larry's house. I also graduated with Larry from high school and commuted to Georgia College with him in his 1957 Chevrolet! As Billy Outler said, we all had a great time, and Larry was right in the middle of everything that happened! Larry was extremely smart, always funny, and had a great personality! Our prayers go out to his family! Frank and Alan Fowler

“ Larry was the best brother in law, if I ever needed anything, dispatching a snake from my garage for example or putting a bed frame together, he was on it. If I ever needed to borrow anything, he had it. He would have to find it first though! O how my heart hurts for my sister and Larry's sweet daughters, sister and grandsons. Art and I will miss you terribly Larry.
Prayers for comfort, strength and peace going up for Beth, Darlene, Tara, Valerie and the boys.
