*Grandmama, Cheryl, Jerome, Mary Earle and families, I was so sorry to hear of Granddaddy's death. He was a kind, loving man who always included Brooke as a grandchild. He and Grandmama loved her as if she was their own. We have many wonderful memories of times spent with them. I know of the deep love you all had for him and I was always proud to share in that love. I won't be able to come home for the visitation or his services as I'm battling illnesses of my own. Please know that I love all of you and I am praying that God brings you all comfort with the wonderful memories posted on the tribute wall. Every one of you are so special to me!*
