“ *What a beautiful lady ! SHe has gained her Angel Wings ! I remember going with my Mama to Doc's Greenhouse and getting flowers and vegetables to plant. She could grow anything ! I remember seeing that white Chevrolet Impala (i believe) pulling up to the swimming pool and thats how we knew when the pool was open . We would pay 25 cents and go swimming . My Mama took over the concession stand @ the pool when " Miss " Worthy (as we called her) could know longer do it. Those are sweet memories that I will cherish forever . " Miss Worthy " will definitely be missed . Prayers and condolences to the family .*
